Capabilities

Artwork

Our full in-house Graphic Dept. can ensure the highest quality and fastest turnaround for proofing. All electronic files should be submitted on Macintosh formatted media and created in Macintosh software such as Adobe Illustrator and Photoshop.

For art specifications see Page 9.

Customer Service

Our customer service staff is friendly and helpful. Custom quotes are given within hours (standard quote within minutes) and any of our staff can track your job.

If you need an estimate or want to place an actual order, our office staff is available.

Design

We offer a full service art department. Whether it's a one color job or four color process, our staff can help you with any of your design needs, from concept to finished piece. Typesetting and proofing services are available.

Printing

Orders can be placed from standard pricing in our catalog and you can feel free to ask our staff about custom jobs you may have. Our press technicians are trained to keep current with evolving technological advances in sublimation printing.

Our sublimation inks contain UV.

We are continually expanding to offer you more options.
